University of Greater Manchester

Open Day

Support to attend

Support with additional needs

If you require support to attend such as a BSL interpreter then please get in touch with our fantastic support team at disabilityinfo@bolton.ac.uk. One of the team will discuss your needs and plans for the Open Day and arrange the relevant support for you. This is at no additional cost to you. Please note this must be done before arriving at the Open Day so we have enough time to put your support in place.

Transport

There is information on the Visit Bolton site outlining how to reach Bolton. If you are driving to the University, you can also use our 'How to Find Us Guide'. The full address of the University is:

University of Greater Manchester
Deane Road
Bolton
BL3 5AB

If you are arriving by public transport, once you exit Bolton Interchange or the train station, walk towards Sainsbury's, turn right and you should see one of our buildings, from there everything will be signposted for you.

Staying overnight

Visit Bolton and Visit Manchester offer advice and recommendations for staying overnight in Greater Manchester. Unfortunately, we do not have space in Halls to support stays as part of the Open Day. You are however more than welcome to tour Halls as part of the Open Day, please see the programme for full details.

Support with costs

The University of Greater Manchester is committed to helping people access higher education and we understand that costs may sometimes be a barrier, so with this in mind, if you would like to discuss support with the cost of attending, please get in touch at opendays@bolton.ac.uk before the Open Day.
